Project Submission Guidelines

- Submit your project by 10 AM on Monday, August 26 in BeMyApp
- Project Page must be “published” to be seen & be considered as officially submitted
- Project Page must include:
 - ✓ Team number in the Project Title
 - ✓ A link to your GitHub repo
 - ✓ Screenshots of UI in the Media section
 - ✓ Presentation (convert to PDF and upload)
 - ✓ All contributing team members added in the project page

Hackathon Judging Round (August 26th 4:00PM)

Judging Round

- 3 Morgan Stanley Judges
- 1-2 Nonprofit Judges
- All Teams Present / Demo
 - 5 Minutes Presentation Time
 - 3 Minutes for Questions
- 2 Winning Teams Selected Per Challenge Statement
 - 1 overall winner
 - 1 runner up
- Presentation Tips
 - No need to re-state the challenge statement, judges are familiar
 - Multiple speakers if possible
 - Spend majority of time on demo of solution & tech stack

Code to Give Judging Criteria

Category	Rating				
	Unsatisfactory 1 pt.	Satisfactory 2 pts	Effective 3 pts	Exceptional 4 pts	Expert 5 pts
Relevance How fully has the team addressed the nonprofit's challenge? Does the technical prototype and pitch address the need?					
Effectiveness & Feasibility How feasible will it be for the nonprofit to implement the prototype?					
Technical Design & Code Completeness How good is the design, user experience, code quality and ease of use?					
Creativity & Innovation How unique was the approach to solving the technical challenge?					
Social & Environmental Impact Will the solution have a positive impact on the nonprofit and their stakeholders?					

Hackathon Prizes

- Winners Announcement will follow judging on Monday
- There will be a 1st prize and 2nd prize winning team per challenge
- Each member of the 1st prize winning team will receive an Amazon gift voucher
- Each member of the 2nd prize winning team will receive an Amazon gift voucher
